Spring and Summer Medicine.

Dr. Townsend's Sarsaparilla THE MOST EXTRAORDINARY MEDICINE IN the world.--This extract is put up in quart buttles: it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without voniting, purging, a ckening, or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other remedies is, while it eradicates disease,

it invigorates the body. It has performed more than 15,000 cures this year 1.000 cures of Rheumatism 1.000 cures of Dyspepsia;
2 500 cures of general debility, and want of nervous

3.000 Female complaints and ov r;
7.000 cures of diseases of the blood, vi Ulcers, Scrofula, Erysipelas, Salt Rheum, Pin oles on the face, &c. &c., together with numerous cases of consumption, Liver Compisint. Spinal Affections, &c.
This, we are aware, must appear incredible, but we have letters from physicians and our Agents from all parts of the United States, informing us of extraordinary cures R Van Buskirk, Esq., one of the most respectable druggists in Newark, New Jersey, informs us that he can rejer to more than one hundred and fifty cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character well known.

UNITED STATES OFFICER.—Capt. G. W. McLean, mem-

ber of the New Jersey Legislature, late of the United

States Navy, has kindly sent us the following certificate It tells its own story : Rahway, January 25, 1847. A year since I was taken with the influ nza and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after tak ng two or three bottles I was very much relieved, and attributed it entirely to the said Sarsaparilla I have continued ta-king it, and find that I improve every day. I believe it saved my life, and would not be without it under any onsideration. THE I DITOR -John Jackson, Fsq., Editor of the Rah way Republican, published the above certificate, and remarked in an editorial as follows:
The success of Dr. Townsend's preparation of Sarsaparilla appears to be of the most extraordinary character. We publish to-day two certificates in its behalf, one from Capt. McLean, of this town, and one from Rev. Mr. White, of Staten Island, a gentlemsn well known in Rahway —Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy Intelligent men like these would no praise sos rongly what they did not fully believe to deserve it. SCROFULA CURED —This certificate was handed in to
